These were all the special items that came with the purchase of the 2nd Volume of the manga at various locations across Japan. I haven't made scans of all of these yet, but all items for the 1st Volume are now in the image gallery.

Yoko Tere and Mariyama Deleeko took part in a signing event on November 23, 2015. I was extremely excited to be able to attend and sign the awesome board that is shown below!

For more information and a recap of this event, please check out the detailed post that I made about it on my eliel!
